221. UNIFORM RULES FOR THE 1 CONDUCT OF DEPOSITIONS 2 221.1 Objections at Depositions (a) Objections in general. No objections 3 shall be made at a deposition except those which, pursuant to subdivision (b), (c) or 4 (d) of Rule 3115 of the Civil Practice Law and Rules, would be waived if not 5 interposed, and except in compliance with subdivision (e) of such rule. 6 objections made at a deposition shall be noted by the officer before whom the 7 deposition is taken, and the answer shall be given and the deposition shall proceed 8 subject to the objections and to the right of a person to apply for appropriate relief 9 pursuant to Article 31 of the CPLR. (b) Speaking objections restricted. Every 10 objection raised during a deposition shall be stated succinctly and framed so as not 11 to suggest an answer to the deponent and, at the request of the questioning attorney, 12 shall include a clear statement as to any defect in form or other basis of error or 13 irregularity. Except to the extent permitted by CPLR Rule 3115 or by this rule, during the course of the examination 14 persons in attendance shall not make 15 statements or comments that interfere with the questioning. 16 221.2 Refusal to answer when objection is made. A deponent shall answer all questions 17 at a deposition, except (i) to preserve a privilege or right of confidentiality, (ii) 18 to enforce a limitation set forth in an order of the court, or (iii) when the 19 question is plainly improper and would, if answered, cause significant prejudice to 20 any person. An attorney shall not direct a deponent not to answer except as provided 21 in CPLR Rule 3115 or this subdivision. Any refusal to answer or direction not to 22 answer shall be accompanied by a succinct and clear statement of the basis therefor. 23 If the deponent does not answer a question, the examining party shall have the right to 24 complete the remainder of the deposition. 25

221. UNIFORM RULES FOR THE CONDUCT OF DEPOSITIONS

221.3 Communication with the deponent
An attorney shall not interrupt the deposition for the purpose of communicating with the deponent unless all parties consent or the communication is made for the purpose of determining whether the question should not be answered on the grounds set forth in section 221.2 of these rules and, in such event, the reason for the communication shall be stated for the record succinctly and clearly.

IT IS FURTHER STIPULATED AND AGREED that the transcript may be signed before any Notary Public with the same force and effect as if signed before a clerk or a Judge of the court.

IT IS FURTHER STIPULATED AND AGREED that the examination before trial may be utilized for all purposes as provided by the CPLR.

IT IS FURTHER STIPULATED AND AGREED that all rights provided to all parties by the CPLR cannot be deemed waived and the appropriate sections of the CPLR shall be controlling with respect hereto.

2.1

IT IS FURTHER STIPULATED AND AGREED by and between the attorneys for the respective parties hereto that a copy of this examination shall be furnished, without charge, to the attorneys representing the witness testifying herein.

19
                 Good morning, sir. My name is
20
      Andrew Meier, and I'm an attorney at
21
      Rosenbaum & Rosenbaum, and we represent a
22
      woman by the name of Shaarille Linzy, in
23
      association with a personal injury action
24
      arising from a motor vehicle accident that
25
      took place on December 5, 2019.
```

A. Okay.

1

- Q. We're here today to ask you
- 3 | some questions pursuant to a court order
- 4 | about your involvement in that incident on
- 5 December 5, 2019. Now I know that you do
- 6 | speak some English, but we have a Spanish
- 7 interpreter here today. So for purposes of
- 8 | today's deposition, I want you to pretend
- 9 | that you don't know any English; okay, sir?
- 10 A. Okay.
- 11 O. Please allow me to ask all of
- 12 | my questions in English and allow Raul to
- 13 | translate my question from English to
- 14 | Spanish before providing an answer, and I
- ask that you provide your answer only in
- 16 | Spanish; do not answer in English, and then
- 17 Raul will then translate the Spanish back
- 18 | to English for the record.
- 19 A. Okay.
- 20 Q. Now, your attorney, I'm
- 21 assuming gave you some instructions about
- 22 | how to answer today's testimony, but let me
- 23 just give you the same kind of ground rules
- 24 on the record; okay, sir?
- 25 A. Okay.

1 0. We have a court reporter and 2 she's typing down everything that is said 3 to create a transcript. And that 4 transcript is going to be used by all 5 parties for the remainder of this lawsuit. So because she is typing up everything that 6 is said, there are some ground rules that we have to make sure we follow to make her 8 9 job as easy as possible. 10 First of all, she can only 11 transcribe one person speaking at a time, 12 so I ask that we all try our best to not 13 talk over each other. I further ask -- I 14 want to let you know that she can only take 15 down verbal questions and responses. So 16 while we all know what you mean here today 17 when you shake your head up and down, that 18 will not show up on the transcript, so you 19 have to say, yes. Likewise, shrugs of the 20 shoulders, uh-huhs, huh-uhs; we all know 21 what you mean here today, but that's not 22 going to show up on the transcript. 23 Also, I want to -- hopefully, 24 we'll be done in about an hour or so, if 25 all goes smoothly, so I want to -- also, I

```
1
      want to accommodate you at the same time;
 2
      okav, sir?
 3
           Α.
                  Okay.
 4
           0.
                  So if at any point in time your
 5
      phone rings and you need to take a phone
 6
      call, text message you have to answer, you
 7
      have to use the restroom, you want to speak
 8
      with your attorney, I have absolutely no
 9
      problem accommodating that, so long as
10
      there is not a question pending before we
11
      take a break. So if you want to take a
12
      break, you just have to answer the question
13
      and we can take as long a break as you
14
      need; okay, sir?
15
           Α.
                  Okay.
16
           0.
                 And finally, if you do not
17
      understand one of my questions, please let
18
      me know and I will be more than happy to
19
      rephrase it. But for purposes of this
20
      lawsuit, we all must assume that you
21
      understood my question if you answer it; is
22
      that fair, sir?
23
           Α.
                 Okay.
24
           0.
                 Are you ready to begin, sir?
25
                 Yes, sir.
           Α.
```

```
1
            0.
                  Now, the address that you gave,
 2
      how long have you resided at that address?
 3
                  Approximately, December, three
           Α.
 4
      years.
 5
                  MR. MEIER:
                              Madam reporter, his
            name and address are on the record?
 6
 7
                  COURT REPORTER:
                                  Yes.
 8
                  MR. MEIER:
                              Thank you.
 9
                  Sir, were you employed back in
           0.
      December of 2019?
10
11
           Α.
                  Yes, I was employed.
12
                  And by whom were you employed
           Q.
13
      in December of 2019?
14
           Α.
                  I worked for Uber. I'm a taxi
15
      driver. I am self-employed.
16
                  Sir, on December 5, 2019,
           0.
17
      specifically, were you a self-employed taxi
18
      driver that worked for Uber?
19
           Α.
                  Yes. Correct.
20
                 On December 5, 2019, did you
21
      also work for Lyft or just Uber?
22
                 I had Lyft as a part-time; I
23
      mean, to complete.
24
                 Can you explain that further,
25
      sir?
```

1	A. Yes. I was affiliated with
2	another company to complete; sometimes you
3	would have to do that to complete the day.
4	But I worked mostly with the other company.
5	Q. Sir, just so I'm clear. On
6	December 5, 2019, you were affiliated with
7	Lyft; is that what you were saying?
8	A. If I'm not mistaken, I think I
9	was still affiliated with Lyft, but I do
10	not know if I had it active at that time.
11	Q. And sir, just so I'm clear.
12	You were also affiliated and worked for
13	Uber on December 5, 2019; correct?
14	A. Yes. Correct.
15	Q. Okay. Now, other than Lyft and
16	Uber, were you affiliated with any other
17	employer, or ride-sharing app on December
18	5, 2019?
19	A. No. At that time, I was no
20	longer working at another company.
21	Q. On December 5, 2019, were you
22	operating a motor vehicle as a taxi driver
23	for Uber and/or Lyft?
24	A. Exactly when it happened, I was
25	going to start working an Uber.

```
1
                  So sir, just so I'm clear.
           0.
 2
      When you're referring to when it happened,
 3
      what do you mean by that?
 4
           Α.
                  I am explaining that when it
      occurred, I had just turned on the
 6
      application. I had not worked yet.
 7
           0.
                 So sir, when you say "when it
      occurred," are you referring to an incident
 8
 9
      that occurred on December 5, 2019 involving
10
      a pedestrian?
11
           Α.
                  Correct.
12
                 And just so we're clear. Did
           0.
      the motor vehicle that you were operating,
13
14
      when you just turned on the Uber
15
      application, come in contact with a
16
      pedestrian on December 5, 2019?
17
           Α.
                 Correct.
18
                 Okay. How long had you been on
           0.
19
      the Uber application prior to coming in
      contact with a pedestrian on December 5,
20
21
      2019, approximately?
22
                 If I'm not mistaken, ten, 15
23
      minutes, or less.
24
                 And when you were on the Uber
2.5
      application for ten or 15 minutes prior to
```

```
1
      the contact with the pedestrian on December
 2
      5, 2019, can you describe what exactly you
 3
      were doing?
 4
                  And by that, sir, I mean, were
      you -- you were on the application, were
 6
      you waiting -- had you been hailed by a
 7
      potential customer, were you driving around
 8
      with the application on, or something else?
 9
                  I had just dropped off a
10
      friend.
                I don't know if she was taking the
11
      train or the bus. I was stopped at
12
      Westchester waiting for a call to come in,
      nothing came in, so I proceeded.
13
14
           0.
                 And just so I'm clear.
15
      Uber application was on the whole time for
16
      the ten or 15 minutes up until and
17
      including the moment your vehicle came in
18
      contact with the pedestrian, yes or no?
19
           Α.
                 Yes.
20
                 And is the Uber app on your
21
      cell phone, tablet, or something else?
22
           Α.
                 On the tablet.
23
                 On December 5, 2019, was that
           0.
24
      also the case; was the Uber application on
25
      your tablet?

If I'm not mistaken, yes, I had Α. the tablet -- the tablet on. Times before, a few times, I had used the phone, but mostly, I have stayed on the tablet. On December 5, 2019, how large 0. was the tablet that you used the Uber application on? If I'm not mistaken, I think it's 8 inches. I'm not that familiarized. I had another one before, but I think, if I'm not mistaken, that it is 8 inches. And back on December 5, 2019, Q. in the ten to 15 minutes prior to coming in contact with the pedestrian, where was the tablet situated in the car when you were using the Uber application? Α. I always keep it on the right side, the screen practically at the level of the radio.

- Q. On December 5, 2019, when you were on the Uber application, when you came in contact with that pedestrian, was the
- tablet on the dashboard, or something else?
 - A. Yes, exactly where I told you, by the radio that is exactly on the
